Mourt's relation.
The journal of the Pilgrims at Plymouth, in New England, in 1620: reprinted from the original volume. With Historical and local illustrations of providences, principles, and persons: by George B. Cheever, Jr. 2d ed. New York, J. Wiley, 1949.
ix p., 1 l., 8-9 1/2 p. 19 cm.
With reproduction of original 1.6: A relation or journal of the beginning and proceedings of the English plantation settled at Plymouth in New England, by certain English adventurers both merchants and others... London, Printed for John Ballantyne, and are to be sold at his shop at the Two greyhounds in Cornhill near the Royal exchange 1622.

"To the reader" (p. 13-14); signed: G. Mourt.
The main part of the narrative was probably written by William Bradford and Edward Winslow. G. Mourt (George Morton); by whose name the relation is commonly known, seems to have had no other connection with it than that of writing the preface and giving the book to the press. of Young, A.
